Highlight from Sunday, 26 April: *The Emmaus Road Journey* by Richard Horn

The Emmaus Road story is a metaphor for spiritual journeys, where travelers often face profound disorientation and "dead hopes". Two disciples, Cleopas and an unnamed companion, walk away from Jerusalem in grief following the crucifixion, summarized by the sombre phrase, "We had hoped".

Jesus draws alongside them, matching their pace and listening to their pain before reorienting them through scriptural teaching. He rebukes their "slow" belief and explains that the Messiah was destined to be a suffering servant—one who takes up the cross rather than wielding the sword. Jesus uses the stories

of Jonah and Joseph to illustrate this necessary pattern of suffering followed by exaltation.

Recognition finally occurs during the breaking of bread, where the disciples likely see the wounds in His hands and experience renewed fellowship. This encounter transforms their despair; they immediately return to Jerusalem with fresh vision and purpose to share the resurrection life. "Emmanuel," the Good Shepherd who meets us in modern anxieties to bring peace and new life.

Thank You for Helping at The BCW!!!

A BIG thank you to everyone who helped at the BIG Church weekend Saturday events in Emmanuel and here at St Francis. Here's an excerpt from Parish Operations Director:

"Just wanted to say a heartfelt thank you for hosting the Saturday afternoon games and tea at St Francis. We're beginning to hear feedback from those who came along, and it's lovely to know how much the treasure hunt and the time together over tea and games were enjoyed.

We're really grateful for the warmth of your welcome and the care you showed in creating such a relaxed and friendly space - it made a real difference..."

Our broken car got fixed.... A testimony by Pelumi Adeyemi

Relocating to Guildford was a blessing for our family after living apart during the pandemic, but the cost of living in the South quickly strained our finances. Praying for schools that met our children's educational and spiritual needs, we reluctantly found ourselves with a Church of England school about 6 miles away. By God's provision, we bought a used car for £1,500, making the school run manageable—until, a month later, the clutch broke. We were quoted £2,300 for repairs, and after checking other garages without finding anything cheaper, we surrendered it to God.

School drop-offs became a grueling 1.2-hour multi-bus journey in bad weather, and I was desperate for a miracle. One morning, I felt God say, "Someone will offer you a vehicle today," and I laughed. But that evening, a neighbor I barely knew unexpectedly came to our door and, without being asked, suggested three much cheaper garage options. We chose the cheapest and most convenient—our next-door neighbor's garage—which repaired the car for £230 +VAT! Glory to God!!!
